PREFACE TO THE STEHLIN COLLECTION.

The Fine Collection offered herewith is the result of many years of effort on the part of one of our most thorough and painstaking collectors. Mr. Stehlin loved to possess coins in the best possible preservation. The offerings in this catalogue will attest to this creditable trait. The list includes a fair sized group of fine gold coins, United States and Foreign. The Collection of very choice United States Silver is noteworthy. The dollars are Complete excepting only 1804 (a date I do not much favor). The big rarities are all here including a magnificent 1794—one of the finest known—and proofs of 1836, 1838, 1839, 1851, 1852, and 1858. There are some choice half dollars with an extremely fine 1797. Choice 1795s and 1801s are noted. The Dime Collection is unusually choice with exceptionally nice rarities of the early dates. Some of them are uncirculated. The Half Dimes are remarkable for completeness and condition, including uncirculated examples of 1794, 1796 and 1797, while the 1803 is not only uncirculated, but is in **bright mint state,** something very unusual for this date. The Minor coins are complete. The patterns include the best **Half Disme** of 1792 I have ever seen, being an uncirculated, sharp specimen; and several other rare trial pieces are included. The United States Cent collection is above the average with unusually fine example of 1793, 1794, 1798, 1799, 1803, 1804, 1809 and 1823. The Foreign Section is of special interest, with some 300 different Dollars and Multiples, and numerous fractions of dollars. Many pieces of scarcity are in special condition. The entire world is covered in modern foreign coins, even in copper and nickel. The medal section is of special size and variety, both American and Foreign, with some large, rare and old European Silver Medals, dating from the beginning of the Seventeenth Century, being especially strong in the German issues. This section has some fine and unusual silver coins of the Popes and Switzerland.

The few Numismatic Books which were at the time available to catalogue are of value and interest, and a good coin safe will be sold. The sale contains many items of importance and should not be overlooked. It is one of my best.

THOMAS L. ELDER.

CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing **within 30 days of the date of the sale.**

Coins and medals are sold at **so much per PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to $2.50, when 10c. advance must be bid, up to $10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in the lot and you wish to pay $5.00 for the entire lot, then bid $1.00.

Auction sales are **strictly for cash.** Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing and shipping, but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

Priced catalogue of this sale sent for $1.25 cash in advance.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.
